NOVEMBER 2026 EDITION

Health Plan *Pulse*

Your monthly dose of Sidecar Health updates.

A simpler way to fill your prescriptions

PRODUCT UPDATE

Our upgraded pharmacy experience is live. Shop for prescriptions in the app and choose any pharmacy, just like before. Here's what's new:

- **Show your digital Member ID at the counter.** Your discount applies automatically.
- **No invoice to upload.** The pharmacy bills us directly and your claim processes on its own.

GOOD TO KNOW

- **Have an outstanding deductible that applies to prescriptions?** You'll pay the pharmacy until you meet it.
- **Re-shop before your next fill.** Prescription pricing has been updated, so look up your medications again in Find Care to confirm the price you'll see.

Find it on the main dashboard in the app

Grateful for health insurance? Our members are.

"Grateful" isn't a word most people use about their health insurance. But this Thanksgiving season, it's the one our members keep using — and we're thankful right back.

★★★★★

"Sidecar makes it so easy to pay at my doctor's office and the pharmacy. I've been ill or injured quite a bit lately, and they've come through every time. **I am very grateful to them.**"

Nancy G., Sidecar Health member

★★★★★

"I had an unexpected injury that required surgery, and working with Sidecar made a stressful situation so much easier. **I'm very grateful for how smooth they made the experience.**"
