

Job Training and Credentials

We're proud to offer a wide variety of programs. The skills you learn at a Goodwill Columbus training location will help you get closer to your goals.

Our programs and pathways

Information Technology (IT)

Class format

CompTIA A+ classes are in-person for 15 weeks/day class, 15 weeks/night class.

Google Certificates, Network +, and Security + are offered remotely and can be completed in three to six months depending on the student's skillset.

Potential career opportunities

include CompTIA A+, Google IT Support Professional, data analytics, project management, ecommerce and digital marketing, user experience (UX) design, and more.

Healthcare

Class format

State tested nursing aide (STNA) classes take place in person at The Reeb Avenue Center on the south side of Columbus, and can be completed in five weeks.

Medical billing and coding, medical front office administration, and behavior technician classes can be completed remotely in 14 weeks or less depending on the student's skillset.

Potential career opportunities include STNA, medical billing and coding, medical front office assistant, behavior technician, and more.

Hospitality

Class format

Coursework can be completed remotely in as little as one week per credential.

Potential career opportunities

include customer service, retail, front desk attendant, guest room attendant, kitchen cook, food server, and more.

Logistics

Class format

Roads2Work training will be completed in five to six weeks. Classes are offered in person.

Start your career as a licensed commercial driver (CDL).
