

Ready to start your career in healthcare?

Make a difference in your community

A career in healthcare is within reach with Goodwill Columbus' free job training and certification programs. People who complete our free courses can earn credentials for in-demand roles in areas like State Tested Nurses Aide (STNA), online medical billing and coding, and more.

"Goodwill's STNA Program gave me the skills and confidence to excel in my new career and I can't believe how much my life as changed because of it. I'll forever be grateful."

T-Keyah Morris

Former participant and current
State Registered Nursing Aide
