

Ready to start your career in **logistics**?

Roads2Work

We're proud to partner with Capital Transportation Academy on Roads2Work - Franklin County. This non-profit organization was founded in 2016 with the mission to ensure that anyone who has the desire and commitment to become a commercial driver can access the resources they need and achieve their goals. Start your career in the transportation industry as a commercial driver (Class A CDL) — no experience necessary!

"I am grateful for the Goodwill Roads 2 Work program. I started a new career where I am able to pay my bills and support my family. It was definitely life-changing."

Cornelius Phiri

Started 5/15/2023 and he stated

An excellent opportunity:

- Salaries start between \$50,000 and \$65,000 plus benefits
- Complete the program in as little as five weeks
- Many local, regional, and national partner employers hire graduates immediately
